While tradition still carries
Through all the hearts
Of never to be forgotten memories.

New Friends . . .

We've built new foundations
Of learning and new friendships
For keeping. We've shared hopes,
Dreams, discoveries and disappointments.

These foundations and friendships
Will never leave us.

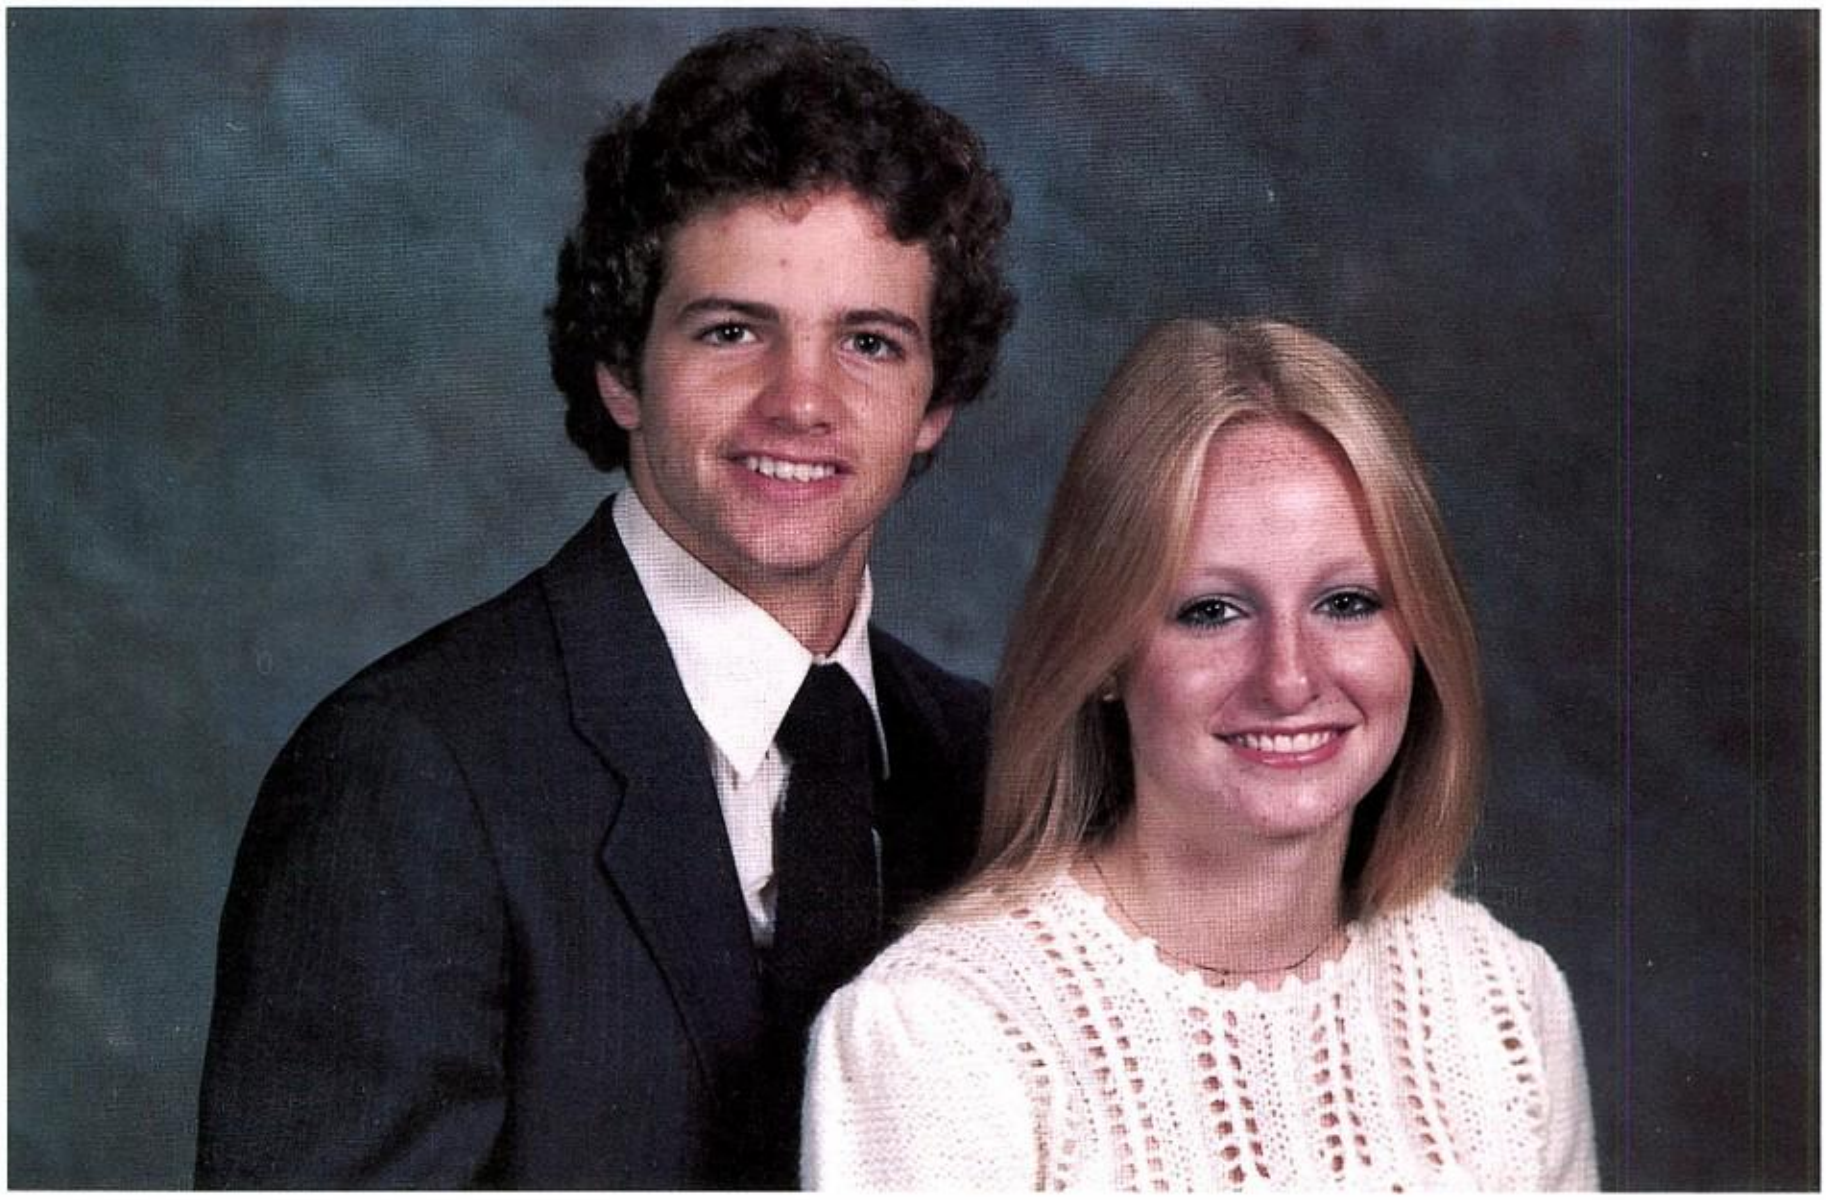
HONORS

Mr. and Miss Gusher



Richard Taylor Baudoin

Each school year the GUSHER staff has the pleasure of selecting one senior boy and one senior girl who they feel have devoted their time and energies to the City of Byrd. This is the highest honor that the GUSHER staff can award. It is only awarded to two students who have attended Byrd for at least three years, made contributions to their school and community, have outstanding character values, and high academic standards. The 1982 GUSHER staff proudly presents Mr. and Miss GUSHER, Richard Taylor Baudoin and Lila Katharine Camille Smith.

As a jacket for four years, Ricky really showed his spirit through all his activities. He played on the football team beginning his freshman year, lettered his junior year, and was a member of the Fellowship of Christian Athletes. Being in a service club means action, and Ricky displayed his action through Key Club his freshman year and Leo Club his sophomore through senior years. His junior and senior years he was a "Z" Club "M&M" buddy. Also his senior year he worked on the HIGH LIFE staff, and kept a steady job at Brookshire's. Congratulations and thanks to Ricky for adding a spark to Byrd's glowing traditions.

Lila Katherine Smith

Lila came to Byrd her freshman year planning to make her next four years something to remember. And she did just that! Beginning her freshman year, Lila was involved in the pep squad; in her sophomore year she joined the danceline. She became second lieutenent for the High Steppers her senior year, and at the 1981 danceline camp she won the individual award of outstanding superstar drill team performer. Lila was elected the senior class parliamentarian and homecoming cheerleader. She was also an active member of Leo Club, French Club, and was the assistant feature editor for the HIGH LIFE. Thanks, Lila, for your contributions to Byrd and congratulations.

Louisiana Pelican State Delegates

Last spring, 11 juniors were selected for their leadership, intelligence, and character to represent Byrd High School at Boys' and Girls' State in August. This program is sponsored by the American Legion and the American Legion Auxiliary, and is held annually on the Louisiana State University campus in Baton Rouge. Besides adding new words, such as "convocation" and "muster" to their vocabulary, delegates learned the advantages of a democracy by actually becoming a mythical state having its own constitution and laws. The guys and gals suffered from lack of sleep, but returned ready to teach the student body new cheers. They also gained new insight into the workings of government at the local, parish, and state level. On the whole, Boys' and Girls' Staters benefitted from their week in Baton Rouge.

Delegates were: Mona Hudson, Trelvis Zenter, Beth Ann Arnold, Karen Moore, Mona Miley, Carvin Watson, James Bowen, Gia Kosmitis, Doug Greve, Trey Howse, Martin Stinson.

"Always Have A Dream"

Forget about the days
When it's been cloudy,
But not your hours in the sun . . .
Forget about the times
You've been defeated,
But not the victories you've won.
Forget about mistakes
That you can't change now,
But not the lessons you've learned . . .
Forget about misfortunes
You've encountered,
But not the times your luck's turned.
Forget about the days
When you've been lonely,
But not the friends you've seen . . .
Forget about the plans
That didn't work out,
But always have a dream.

Deadlines had to be met in order for the publishing company to assure prompt delivery. These responsibilities meant long hours after school and on some Saturdays to get pages finished. Besides the many responsibilities, however, GUSHER staff members had many privileges. One of these privileges was the use of the GUSHER room. JUNIORS Enjoyed Each Others Company

The junior class of 1981-82 showed the true meaning of school spirit like never before. They became actively involved in the school and in many extracurricular activities. Juniors began making serious plans toward attending college by taking the ACT Test. In addition to planning the Junior Prom, the class officers made plans for a dance to be given in December at which juniors would receive their senior rings. With the conscientious effort given by all the juniors this truly was "The Year of the JACKETS!"

The 1981-82 class officers were: *From Left to Right:* LaSandra Shepherd, Sandra Sloan, Jackie Winston, Laura Smith, and Linda Albright.

Choosing among her many Byrd admirers was a hard decision for LaSandra Shepherd.

Junior Jackets "jived and jammed."

Lesley, if Ted could have seen you then.

The "fearless five" were always on top.

Beth Proudfoot faithfully supported the Jackets during a football game.

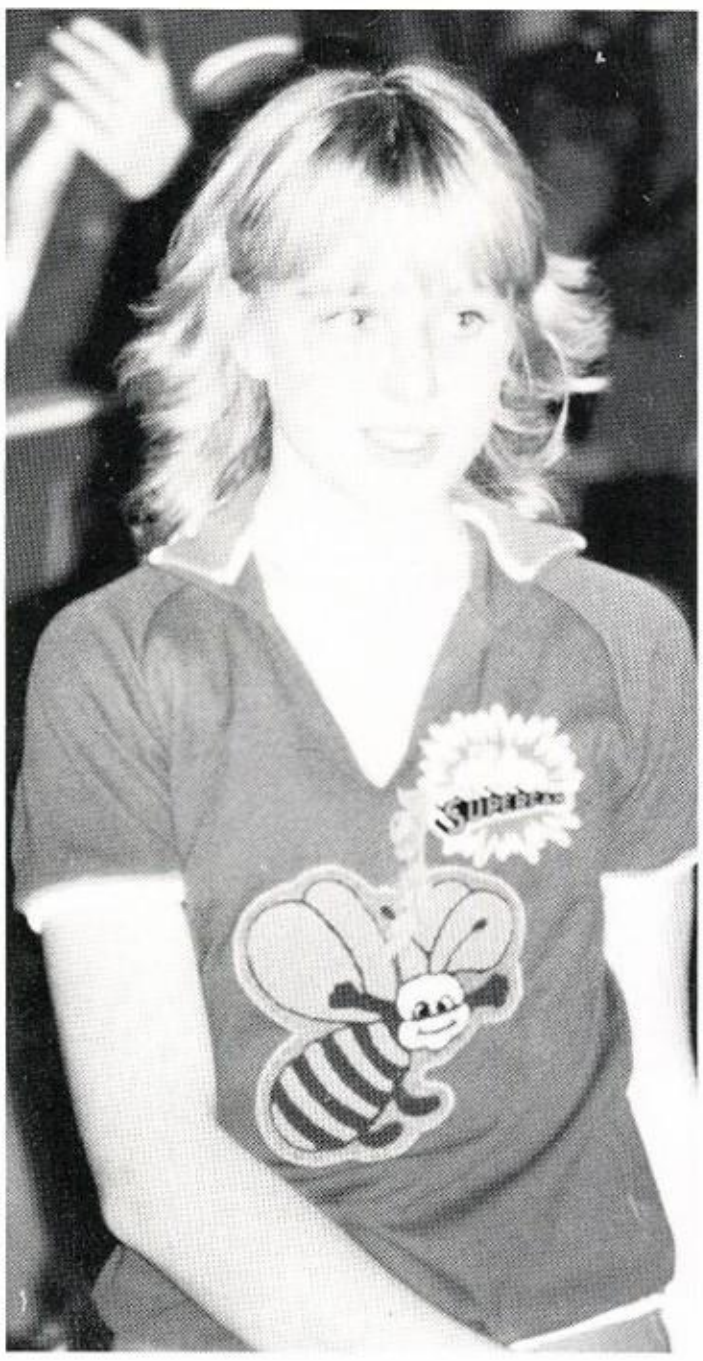
FRESHMEN Presented

This year's "newcomers" to Byrd carried on Byrd's traditions in the same manner as in the past. The freshmen showed school spirit by cheering for their class and winning spirit sticks during pep rallies. They also supported their class by attending football and basketball games, and taking part in "Go West Day," Homecoming, and Sadie Hawkins. Many were active in sports, music, drama, and extracurricular activities that furthered their education. For Byrd freshmen beginning their high school career at Byrd, 1981-82 was a time for learning more about life, meeting new people, and planning for the future.

The 1981-82 freshman officers were: Angela Jefferson, Tony Lucero, Myra Naylor, Nathaniel Johnson, Sandra Blackshire, LaFonda Claiborne.



Amy Rodenroth concentrated on a football game.

ARNOLD PIPE: Inventory, Capability and Response in a Central Location

Arnold Pipe is a no-middleman operation built around the concept of area capability. In our central yard, located in Shreveport, we have almost $4 million in inventory—including the largest API coupling stock in the area.

This central location, combined with an extensive inventory, puts us miles and hours closer to your job site. All it takes to get your order rolling is a single phone call.

Almost before the receiver is down, your order is on its way to being loaded by Arnold hands, on Arnold trucks, driven by Arnold drivers. There is no room for middlemen or buck-passing.

This is why loading can begin within an hour on most orders.

The next time you need downhole casing, line pipe, tubing or couplings call Arnold Pipe and see what a difference our Personal Attention—Personal Responsibility style of operations can make.

Arnold Pipe & Supply Company

When you call us, that's the last call you have to make.

Do you need a reason to join the Louisiana National Guard?

Well, here are some very good incentives — FREE COLLEGE TUITION:

State law provides exemption from tuition payments in all state supported Colleges in Louisiana for all active members of the Louisiana National Guard. This exemption may be claimed for five (5) separate years or until receipt of a bachelor's degree, whichever occurs first.

$1500 ENLISTMENT BONUS or $4000 IN EDUCATIONAL ASSISTANCE

High school seniors and graduates who enlist in certain National Guard units may receive a $1500 enlistment bonus, or $4000 in educational assistance.

SPLIT TRAINING PROGRAM

Split training means that your Basic Training and Advanced Individual Training in the National Guard (which must be completed within a twelve (12) month time frame) can be staggered to fit your personal schedule.

For example, you can take Basic Training the summer of your junior year. Consider it a paid full-time summer job. During your senior year of high school, you will go to the monthly National Guard meetings. Consider it a paid part-time job. Then you can take your Advanced Individual Training the next summer, be paid for that too, and be home in time to attend college, business or vocational school in September. That's two summers of full-time employment, and two years of part-time employment.

She was a Rose in the garden
of a beautiful kingdom.
For that which she was
full of heart.
of spirit.
She was the gift that God
gave to beautify the world.
With everlasting joy.

Her heart touched everyone
that smiled into her eyes.
She was the captain of love.
For which she gave so generously.

A knowledgeable woman
for which she gave her
time, love and kindness.
To dry a child's tears. walk
for blocks with a baby stroller. and
help everyone with their problems.
I loved her. for she was my

just as much.

There are times when you just want to run away, but thanks to some people I didn't. I'm sorry if I branded some people to mine, I didn't mean to! And to the one person that things didn't work out the way she wanted them to, all I can say is that time will tell. YOUR FIRST COMPUTER SHOULD BE SECOND TO NONE.

Commodore believes your first computer should be the best computer you can buy.
The reasoning is simple. If you're going to computerize your business, why chance it on a second rate computer? In our opinion you can't buy a better small business computer than the Commodore CBM.
When it comes to features, no other computer in its price range features more. For example, we have one of the largest screens in the industry. And we're practically the only computer with a dual keyboard. In seconds you can switch from upper and lower case letters to numbers and graphics.
The CBM is also easy to operate. If you can type, you can work our computer. And unlike some computers, the CBM is available with a variety of software to solve your business needs.
Now if you're beginning to think that a computer like this must cost a fortune, think again. The CBM is one of the lowest priced business computers you can buy.
The Commodore CBM.
After all, your first computer should also be good enough to be your last computer.

The 1981-82 GUSHER STAFF

For Beth Ann and Trelvis:

True friends are those
special ones,
Who share joy, sorrows,
and fun.
Who give understanding,
love, and care;
Who never change, who are
always there,
Who with smiles and waves
must say good-bye,
But will remember, though
they cry,
That true friends never
really part,
But remain forever within
the heart.

To Mona and Trelvis:

Throughout our life we meet many people, but just a few become really true friends. I'm just thankful you two were among those few, because you are both true friends and I'll love you forever. The following list are just a few reminders of our good times and I know there will be more next year at NLU:

Hubba, Hubba, ding, dang, dong, and ? Toothbrush and O.J.'s. Short sheeting and phone calls at 2 a.m. Cajuns. Getting locked in bathrooms and missing the driveway. Girls' State and all we learned how and not how to do. Los Amigo's and "Arthur" Cajuns. P.H. Super Freak and Bad Mama Jama. Homecoming '81 and punking out. Lunches in the GUSHER Room with Barbara Ann and always being caught with our foot in our mouths, by "Studly." Your birthdays and "The Rocky Horror Picture Show" — what a horror! Our weekend in "Funroe" and all our stops in between. But most of all Sadie Hawkins and Jue-Brew.

Love ya'll

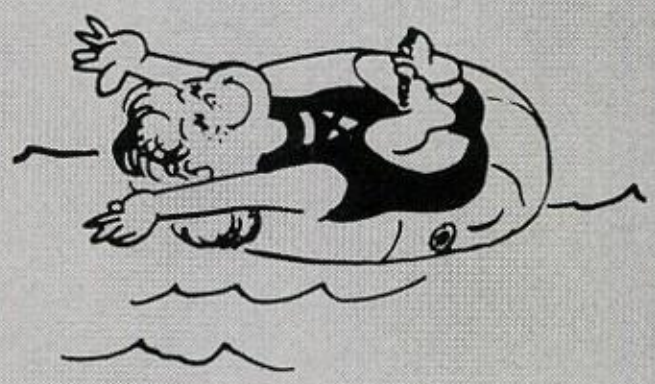
Great times and great friends with the Spanish Club and El Toro.

The Samoan Warriors
Seniors of 1982
The Destruction has begun!

H.I.T. and C.C.

Thanks for all the good times we have shared this year (especially the jokes). Both of you are the best friends I know. I'll always be able to count on you.

Love always,
D.I.M.



B.A., M.M., and D.A.:

Don't forget about K&B; late night phone calls; gatoring; "stick it and blow"; "someone's watching you!"; "it's a mean world out there"; swimming party while "zipped"; dancing and singing "Elvira." Have fun next year and I'll miss y'all, except for D.A. of course!

LYLAS,
K.M.

Mrs. Veillon and Ms. Whitehead:

You are the two most wonderful ladies in the world. You will never know how much we appreciate the time and understanding you both have given all of us. For all the bad times, we are sorry, but we will only remember the good when we look back at this great book which was made possible by both of you. We love you.

We would also like to thank Mr. Colbert for all the help and support he has given to the staff.
